

# RESONATE CHURCH

## FINANCES

Our world *loves* money. It is the thing that we look to for security and the means to fill our desires. Though money can be good, our flesh leads to greed and ultimately to serve money as our lord and savior. This only can lead to death and abuse of something that could give God the utmost glory. We must be willing to surrender money for following Jesus the true Lord and Savior of our lives.

## SCRIPTURE VERSES

Ecclesiastes 5:10

Matthew 6:24

1 Peter 5:2

2 Corinthians 9:6-8

Matthew 6:2-5
