

RESONATE CHURCH

GOVERNMENT & POLITICS

There's the Right and the Left - which are so at odds with one another. Jesus offers a Third Way, somewhere between the extremes, yet still radical on certain things rather than on the fence. We are citizens of heaven not America who should follow Jesus' way rather than the Right or the Left, yet we are still in this world and need to know how to engage in discussion with people who don't yet follow Jesus' way.

SCRIPTURE

1 Timothy 2:1-2
