

# RESONATE CHURCH

## SEX & SEXUALITY

We live in a world where sex is like a need that should be fulfilled. It's lost any meaning of oneness and the beauty God had intended it to have. Our world is trending to abuse of bodies and a gift that was meant for marriage between man and woman. Sexuality and sex is just a happiness hit that our culture clings to. Yet, the gospel points to boundaries within sex and sexuality that are in the confines of marriage between a man and a woman. There is so much pain, darkness and abuse in our world around this subject but we have hope in a Savior who doesn't shy away from such things, but brings healing, redemption and freedom.
